

RESEARCH PROJECTS

Sl. No	Duration of the project	Name & Designation of PI & Co-PI	Nature of the project	Title of the project	Funding agency	Amt. Rs. in lakhs	Remarks
1	2011-13	Dr. B V Latha Asst. Professor PG-Dept. of Biochemistry	Minor	Isolation & Characterization of Antifungal Protein from Edible Mushrooms of Western Ghats	UGC	1.65	On-hand
2	2011-13	Dr. C N Siddanagouder, Professor, Dept. of Commerce	Minor	“Sustainable Fabric Production and Marketing Strategies in Karnataka Silk Industries Corporation”	UGC	0.85	On-hand
3	2011-13	Dr. B.K. Kendaganna Swamy Asst. Professor PG Dept. of Chemistry	Minor	Synthesis and Characterization of Biologically Active Metal Complexes	UGC	1.5	On-hand
4	2011-13	Dr. Nagamani J.E Asst. Professor PG Dept. of Biochemistry	Minor	Isolation of active principle for inhibition of Angiogenesis and Phospholipase- A2 from Bombax ceiba pentandra	UGC	1.0	On-hand
5	2011-13	Mrs. Syeda hajira banu Lecturer PG Dept. of Biochemistry	Minor	Isolation of Bioactive molecules from Mangifera indica linn	UGC	1.3	On-hand
6.	2011-13	Dr. Anupama Ramesh Asst. Professor PG Dept. of Social work	Minor	A Study on the Living & Working Conditions of Women Domestic Workers in Mysore	UGC	0.95	On-hand
7	2011-13	Dr. Kumudini Achchi Asst. Professor PG Dept. of Social work	Minor	A Study on the Socio-political problems of Nomadic Tribes of Ekalavanagar, Mysore	UGC	1.1	On-hand
8.	2011-13	Dr. M.C. Sarojammanni HOD & Associate Professor, Dept. of Kannada	Minor	Gangambike & Neelalochane – Holy Women of Basavanna	UGC	0.70	On-hand

Contd...

9	2011-13	VGST-SPICE Dept. of Physics	Minor	Design and construction of a driver circuit for an Electro Optical modulator	VGST, GoK	0.30	On-hand
10	2011-13	VGST-SMYSR Dept. of Biotechnology (Dr.B.Y Sathish kumar)	Minor	Purification & Characterization of Antistress molecules from Glycyrrhiza glabra(Athimadhura) and Convolvulus Pluricaulis (Shankhapushpi)	VGST, GoK	4.00	On-hand
11	2012-15	SERB DST Fast Track Scheme	Major	Systematic studies on transport and localization of bioactive carotenoids	DST, Gol	25.00	On-hand
12	2012-15	ICMR – Adhoc Project (Dr.Chethan kumar M)	Major	Studies on developing nvel antifibrotic strategy for treating macular finbrosis using bioconjugation of oligodeoxynucleotides	ICMR, Gol	45.00	On-hand
