Section B : Details in respect of the following (attach separate sheet)

1. Activities reflecting the goals and objectives of the institution

The Vision & Mission statements, goals and objectives of the college are as follows:

The college realized the need for a new Vision and Mission statement due to changed global environment and to meet the high expectation of stakeholders. The Vision and Mission statement revised in 2007-08 is reproduced below.

Vision:

- To be known as an institution providing quality education and to be recognized as a centre of excellence.

Mission:

- Providing need based and cost effective education
- Focus on job opportunities and global competitiveness through innovative courses
- Providing holistic education with emphasis on national development

Goals:

- To create an excellent ambience for teaching and learning
- To have continuous revision of curriculum to make students globally competitive
- To promote research culture by initiating postgraduate programmes
- To give equal importance to co-curricular and extra-curricular activities
- To empower rural youth through educational opportunities
- To prepare job ready graduates
- To give hands-on training to science students

Objectives :

- To establish new PG departments
- To bring out the second issue of JSSCM Journal
- To promote and strengthen research, consultancy and extension activities
- To commence innovative UG/PG Diploma & Add-on-courses
- To imbibe national fervor and integrity
- To provide education to marginalized and rural masses
- To organize workshops, conferences and training programmes
- To organize personality development programmes
- To enter into collaboration with national and international institutions of eminence
- To strengthen Career Guidance and Placement Cell
