benefiting from each other's initiatives and working procedures and to support collaboration among the researchers associated with both Parties.

## **2. Scope**

This MOU sets forth the intentions of the Parties for increased collaboration, cooperation and interaction and does not create any legally binding commitments. If the Parties later agree to undertake specific joint projects with legally binding obligations, they will develop separate written agreements for such projects, setting out each Party's contributions, deliverables, and budgets.

The parties collaborate, cooperate and interact to achieve the following scopes of this MOU.

1. The Parties intend to pursue collaboration on fundamental, academic research, conducting training programme and conference / seminars / workshops related to nature conservation and environmental protection.
2. Both parties exchange the technical expertise such as experimental procedures, instrumental knowledge and development of new protocols in the field of Arts, Commerce and Science including some areas in Engineering and Technology.
3. Both parties agree to exchange the expertise of their working staff under mutual convenience when requested by either Parties. For example, NSF can request to utilize the expertise of JSSCACS staff members for their technical events. However, exchange of faculties or staff members or scientist is to be done under mutual convenience of the Parties when such exchanges doesn't affect the normal functioning of the Parties. During Conferences, Seminars, Symposia and Workshops organized by either Parties, above mentioned exchange of working staff may avail with mutual concerns.

4. Both Parties agree to develop collaborative research projects for submitting to various funding agencies in the areas of nature conservation and environmental protection.
5. JSSCACS can give venues like laboratories and seminar halls to NSF to conduct Conferences, Seminars, Symposia and Workshops on mutual understandings.
6. JSSCACS can conduct "NSF Annual Meet and Award Distribution Ceremony" and can start "International Eco Club Student Chapter" at JSSCACS campus.
7. JSSCACS can nominate a few staff coordinators and students to start "International Eco Club Student Chapter" at JSSCACS campus.
8. JSSCACS can nominate one staff coordinator for NSF Advisory Board Committee to improve the activities of NSF in coming days.
9. JSSCACS can work as an Out station (Branch) of NSF to coordinate the activities of NSF.
10. JSSCACS can undertake, if interested, "Eco Audit", "Green Campus Audit", "Energy Audit" and "Hygiene Audit: with special discount fees structure with NSF coinciding with the fees collected for 'International Eco Club Student Chapter'.
11. If JSSCACS is interested to conduct "Lead Auditor Course on Environment Management Systems, Green Campus Audit, Hygiene Audit and Energy Audit" jointly with NSF, it is most welcome to conduct the programme in a big way.
12. JSSCACS can become an Ordinary/Provisional/Life membership with NSF to avail the benefits of 'Environmental Management Audits', 'International Eco Club Student Chapter' and 'Awards and Honours' (best faculty awards, best scientist awards, best institution awards and Fellow awards) including the conduct of the 'National and International day celebrations'.

13. The Students and staff members seeking for financial support to carry out the 'Student Project Scheme' should be a member of the 'International Eco Club Student Chapter' and the Institution should be enrolled with the NSF.
14. NSF is promoting R&D work having social relevance, significance and usefulness to our Country in terms of environmental protection and nature conservation.

### **3. Costs**

Each Party will be responsible for its own costs in connection with all matters relating to collaborations under this MOU. Where possible and appropriate, the Parties may also seek funding for collaborations from other Government and private agencies.

### **4. General Provisions**

4.1. Treatment of intellectual property rights developed through collaborations under this MOU will be determined between the Parties through mutual consultation and separate written agreements on a case-by-case basis.

4.2. Publication credits of any kind arising as a result of this MOU shall be shared by both the Parties. The corresponding authors of the publications would be the Party which has prepared the manuscript. The publications as a result of this MOU will be made under mutual concerns of the Parties while either Parties are intimated Verbally.

### **5. Confidentiality**

The parties agree that there is no intention to share any confidential or proprietary information in any collaboration under this MOU. If either Party wishes to disclose information it considers to be confidential or proprietary to the other Party, the Parties will enter into a written non-disclosure agreement.

## 6. Duration
