## **LETTER OF APPRECIATION**

Dear Pruthvi Bharatheeya,

We, the Saanthvana Team, would like to express our deep sense of appreciation for your instant decision to join us at the time of desperate need to provide psycho-social support for those who were suffering from COVID-19 and related issues during the month May-June 2021. We recognise that, from the time you joined us, you have worked relentlessly, committed to providing tele-counselling: psycho-social support for those who were affected by COVID-19 in some way or the other and their families. Your selfless effort has helped many individuals and families cope with the crisis and sail through gently. We are proud to acknowledge the honour presented to you by the Mysore City Corporation as a "Corona Warrior".

Your precision in counselling skills, documentation, and team work is highly commendable. Your ability to manage the data, analyse and report has been impressive. Your participation in providing group counselling for the police personnel and your keen interest to provide support for the front line health workers are much appreciated. Your openness to learn about the COVID-19 crisis situation, the psycho-social support counselling to be done during this pandemic, and appropriate service delivery have made it easy for Saanthvana to manage this highly challenging task.

We, the Saanthvana Team would like to have you with us in any such effort in future for the public cause, with full confidence on you in your dedication and commitment.

Looking forward to working with you again.

Thank you

Best Wishes
