ANNUAL REPORT OF THE CONTROLLER OF EXAMINATIONS 2022-23

The College is an Autonomous institution. Therefore, Calendar of Examination is prepared by the controller of Examination. Based on the Academic Calendar. Academic Calendar is issued by the principal before the commencement of academic session. Examination Committee is constituted by the principal. This committee supervise internal test.

The Controller of Examinations receives the question papers for the Semester-End Examinations (SEE) set by the subject experts. Name of Paper setters are proposed by HoD of respective department and recommended by Principal through Controller of Examination. It is followed by the preparation and publications of a comprehensive time table. The examinations are conducted as per the Examination Time Table set by the Controller of Examinations. Thereafter, examiners from various colleges are invited and central valuation is conducted. The results are published within fifteen days of time and the same are published in the College website.

After the publication of results, the students are given the opportunity to go for revaluation/ challenge valuation. They are also provided with a photocopy of the answer scripts evaluated for their reference.

About UUCMS

A first of its kind in the country, the Unified University & College Management System (UUCMS) is a flagship project envisioned by the Department of Higher Education, Government of Karnataka. The UUCMS unifies and integrates the functioning and the governance of all collages and public universities in the state bringing all of them under one umbrella. Ensuring uniformity and unifying the General and Technical Higher Education institutions (HEIs) will centralize the data availability on higher education from the grass-root level. This UUCMS application will help students, parents, faculty, employees and administrators of HEIs in the state.

The UUCMS will digitize the activities of Higher Education Institutions (HEIs)

Everything from admissions and examinations to awarding degrees will be done within UUCMS

The Unified University and College Management System (UUCMS) is being developed and implemented in collaboration with the Centre for Smart Governance (CSG), Department of E-Governance, and Government of Karnataka. The State Project Monitoring Unit (SPMU) under Department of Higher Education is ensuring the project deliverables, keeping the stakeholders connected in the development of UUCMS.
