MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter referred to as "MOU") is made and entered into on this 18 May 2023, by and between:

JSS COLLEGE OF ARTS, COMMERCE AND SCIENCE, Ooty Road, Mysuru (hereinafter referred to as "JSS College") AND ATME COLLEGE OF ENGINEERING, Bannuru Road, Mysuru (hereinafter referred to as "ATME College") Collectively referred to as the "Parties."

Whereas JSS College and ATME College desire to collaborate on research, student training, and academic exchange to promote mutual understanding and cooperation between the institutions.

Therefore, the Parties agree as follows:

- Objective of Collaboration: The primary objective of this collaboration is to foster academic and research cooperation between JSS College and ATME College. The collaboration aims to facilitate joint research initiatives, student training programs, and academic exchange activities.
- 2. **Areas of Collaboration:** The collaboration shall include but is not limited to the following areas:
 - Joint research projects and publications.
 - · Student training and internships.
 - Academic exchange programs for faculty and students.
 - Collaboration on workshops, conferences, and seminars.
 - For the Ph. D related articles of research scholars of ATME College of Engineering Research Centers, the research scholar and the supervisor shall be the primary and secondary authors and experts from JSS College can have 3rd and/or more authorship. Whereas both JSS College and ATME College of Engineering shall have primary and secondary authorship for the articles other than Ph. D related work on the mutual consent.

- **3. Research Proposal Collaboration:** Writing proposals to AICTE, Govt and Non-Govt organizations shall be conducted with mutual consent.
- 4. **Patents:** Applicant shall be the ATME College of Engineering and Inventors of the patent shall be as per novelty contribution as mutually decided upon.
- 5. **Faculty Deputation**: JSS College encourages faculty deputation from ATME College of Engineering for research- related work and vice versa.. Any other areas of cooperation to be mutually agreed upon by the Parties.
- 6. **Implementation Plan:** The Parties will develop a detailed implementation plan outlining specific activities, timelines, and responsibilities for each collaborative initiative. This plan will be mutually agreed upon by both institutions.
- 7. **Resource Sharing:** Both institutions agree to share relevant resources, including research facilities, library access, and expertise, to support the successful implementation of collaborative activities.
- 8. **Confidentiality:** The Parties recognize the importance of confidentiality in collaborative research. Any confidential information shared between the institutions shall be handled in accordance with applicable laws and regulations.
- 9. **Amendments:** Any amendments or modifications to this MOU must be made in writing and signed by authorized representatives of both institutions.
- 10. **Dispute Resolution:** In the event of any dispute arising under or in connection with this MOU, the Parties shall seek to resolve the dispute amicably through negotiations.

FINANCIAL ARRANGEMENTS

- 1. This Memorandum of Understanding will not give rise to any financial obligation by one Party to the other.
- 2. Each Party will bear its own cost and expenses in relation to this Memorandum of Understanding.

ENTRY INTO EFFECT AND DURATION

- 1. This Memorandum of Understanding will come into effect on the date of signing and will remain in effect for a period of FIVE (5) years.
- 2. This Memorandum of Understanding may be extended for a further period as may be agreed in writing by both Parties.
