

# **JSS COLLEGE OF ARTS, COMMERCE AND SCIENCE**

**(COC ANNUAL REPORT)**

## **ABOUT THE COLLEGE**

JSS College of Arts, Commerce and Science is a co-educational College established in 1964 under the aegis of JSS Mahavidyapeetha, Mysore. The College was started as an affiliated college of University of Mysore with undergraduate programmes in BA, BSc, BCom, BBM and was given permanent affiliation in 1993. The College is recognised by UGC under section 2(f) and 12(B) of the UGC Act 1956 and is receiving central assistance. The college has been functioning as an autonomous college from the academic year 2005-06. The distinctive features of autonomy are that the college is empowered to frame the syllabi, introduce new courses and conduct examinations independently. The degree is awarded by the University of Mysore.

The College is situated on a sprawling 7.08 acres plot with a spacious building and a hostel in a picturesque surrounding at the foot of Chamundi Hills of Mysuru. The College is a Multi-faculty, Co-educational, autonomous College, re-accredited by NAAC with 'A' Grade (CGPA: 3.21) and recognised as College with Potential for Excellence by UGC. Deen Dayal Upadhyaya Kaushal Kendra and Kaushalya Karnataka scheme have been sanctioned to the college by UGC and GoK, respectively. The College has been recognized as 'Research Centre' under University of Mysore to undertake doctoral and research studies in nine subjects. The college is hosting 'JSS Radio 91.2 FM', a Community Radio Station sanctioned by Ministry of Information & Broadcasting, Govt. of India. The College is known to provide need-based, skill integrated, cost-effective, quality and holistic education, transforming the students into globally competitive, employable and responsible citizens. The College offers a total of 61 programmes, viz., BSc (11 Programmes), BA (11 Programmes), B Com, BCA, BBA, B Voc (Food Processing & Engineering, Software Development, Animation and Multimedia, Advanced Telecom Technologies, and Tourism & Hospitality Management), MSc (Physics, Chemistry, Mathematics, Computer Science, Biotechnology, Biochemistry, Botany, Zoology), M Com, MA (English, Kannada), MSW, M Voc (Food Processing & Engineering, Software Development), MCA (AICTE approved programme ) and PhD (Kannada, English, Social Work, Commerce, Biotechnology, Biochemistry, Physics, Chemistry, Mathematics). A PG Diploma Programme in Protein Scale up and Expression has been sanctioned to the College by Government of Karnataka in 2011 under Biotechnology Finishing School (BTFS) is being offered and at present the same is getting operated under the synonym of Biotechnology Skill Enhancement Programme (BiSEP). Two Advanced Diploma programmes in Animation & Multimedia and Retail Management are also offered. Besides, COCs and PG Diploma Programmes are also offered.

Under the spiritual guidance of H.H Jagadguru Sri Shivarathri Deshikendra Mahaswamiji, the institution is desirous of scaling new heights in the days to come. The entire spectrum of management, staff and students are committed to put in their best to make this dream come true.

## Electrical & Electronic Equipment Maintenance

**Date-** 01/06/2018 - 31/3/2019

**Instructor-** Pushpa M

**Description-** The objective of this COC is to train, upgrade and increase technical competence of students to repair different domestic electronics appliances; to impart skills in repair and maintenance & installation of electronics equipments and to provide necessary skills to be enterprising and self-reliant. After completion of the course students can choose to work in industrial, commercial or residential electricity. They are eligible to work as electronic equipment technician, electrical appliance repair technicians, domestic appliance repairer, laboratory technician and also can evaluate electrical systems, products, components, and applications by applying knowledge of electricity and materials.

This prepares the students for career in the technical industry. Students gain the knowledge and skills for job acquisition by studying theory in the classroom and participating in practical application through labs. There is growing demand for electricians/ maintenance technician because of the rise in new construction projects and the need to maintain older equipment.

## Industrial Microbiology

**Date-** 01/06/2018 -31/03/2019

**Instructor-** Dr. Spoorthi H P

**Description-** The objective of COC in Industrial Microbiology is to enhance problem-solving skills of students through industry oriented projects; to highlight the importance of microorganisms in the production of useful products; and to enable graduates to enter industry with an appropriate level of understanding the need for both the science and business to make a viable product. Employment record shows that Industrial Microbiology has a great scope in future. Industrial Microbiologists can find careers with pharmaceutical companies, chemical, agriculture and allied industries. They can be employed in the areas of Project manager, Food and Hygiene quality controller, Training Scientific officers.

The course is designed to develop the ability of a student to apply the techniques used in the different phases of industrial microbiology: discovery, production (including fermentation and scale-up), bioprocessing. It includes the use of microorganisms in the industrial production of foods, pure chemicals, proteins and other useful products, including the use of genetically modified organisms. It helps the students to understand ethical and commercial issues such as patenting, microbial investigations and data evaluation.

## **ABOUT THE COLLEGE**

JSS College of Arts, Commerce and Science is a co-educational College established in 1964 under the aegis of JSS Mahavidyapeetha, Mysore. The College was started as an affiliated college of University of Mysore with undergraduate programmes in BA, BSc, BCom, BBM and was given permanent affiliation in 1993. The College is recognised by UGC under section 2(f) and 12(B) of the UGC Act 1956 and is receiving central assistance. The college has been functioning as an autonomous college from the academic year 2005-06. The distinctive features of autonomy are that the college is empowered to frame the syllabi, introduce new courses and conduct examinations independently. The degree is awarded by the University of Mysore.

The College is situated on a sprawling 7.08 acres plot with a spacious building and a hostel in a picturesque surrounding at the foot of Chamundi Hills of Mysuru. The College is a Multi-faculty, Co-educational, autonomous College, re-accredited by NAAC with 'A' Grade (CGPA: 3.21) and recognised as College with Potential for Excellence by UGC. Deen Dayal Upadhyaya Kaushal Kendra and Kaushalya Karnataka scheme have been sanctioned to the college by UGC and GoK, respectively. The College has been recognized as 'Research Centre' under University of Mysore to undertake doctoral and research studies in nine subjects. The college is hosting 'JSS Radio 91.2 FM', a Community Radio Station sanctioned by Ministry of Information & Broadcasting, Govt. of India. The College is known to provide need-based, skill integrated, cost-effective, quality and holistic education, transforming the students into globally competitive, employable and responsible citizens. The College offers a total of 61 programmes, viz., BSc (11 Programmes), BA (11 Programmes), B Com, BCA, BBA, B Voc (Food Processing & Engineering, Software Development, Animation and Multimedia, Advanced Telecom Technologies, and Tourism & Hospitality Management), MSc (Physics, Chemistry, Mathematics, Computer Science, Biotechnology, Biochemistry, Botany, Zoology), M Com, MA (English, Kannada), MSW, M Voc (Food Processing & Engineering, Software Development), MCA (AICTE approved programme ) and PhD (Kannada, English, Social Work, Commerce, Biotechnology, Biochemistry, Physics, Chemistry, Mathematics). A PG Diploma Programme in Protein Scale up and Expression has been sanctioned to the College by Government of Karnataka in 2011 under Biotechnology Finishing School (BTFS) is being offered and at present the same is getting operated under the synonym of Biotechnology Skill Enhancement Programme (BiSEP). Two Advanced Diploma programmes in Animation & Multimedia and Retail Management are also offered. Besides, COCs and PG Diploma Programmes are also offered.

Under the spiritual guidance of H.H Jagadguru Sri Shivarathri Deshikendra Mahaswamiji, the institution is desirous of scaling new heights in the days to come. The entire spectrum of management, staff and students are committed to put in their best to make this dream come true.

## Industrial Microbiology

**Date-** 27/11/2021 – 31/08/2022

**Instructor-** Dr. M Seema / Dr Spoorthi H P

**Description-** The objective of COC in Industrial Microbiology is to enhance problem-solving skills of students through industry oriented projects; to highlight the importance of microorganisms in the production of useful products; and to enable graduates to enter industry with an appropriate level of understanding the need for both the science and business to make a viable product. Employment record shows that Industrial Microbiology has a great scope in future. Industrial Microbiologists can find careers with pharmaceutical companies, chemical, agriculture and allied industries. They can be employed in the areas of Project manager, Food and Hygiene quality controller, Training Scientific officers.

The course is designed to develop the ability of a student to apply the techniques used in the different phases of industrial microbiology: discovery, production (including fermentation and scale-up), bioprocessing. It includes the use of microorganisms in the industrial production of foods, pure chemicals, proteins and other useful products, including the use of genetically modified organisms. It helps the students to understand ethical and commercial issues such as patenting, microbial investigations and data evaluation.

## **ABOUT THE COLLEGE**

JSS College of Arts, Commerce and Science is a co-educational College established in 1964 under the aegis of JSS Mahavidyapeetha, Mysore. The College was started as an affiliated college of University of Mysore with undergraduate programmes in BA, BSc, BCom, BBM and was given permanent affiliation in 1993. The College is recognised by UGC under section 2(f) and 12(B) of the UGC Act 1956 and is receiving central assistance. The college has been functioning as an autonomous college from the academic year 2005-06. The distinctive features of autonomy are that the college is empowered to frame the syllabi, introduce new courses and conduct examinations independently. The degree is awarded by the University of Mysore.

The College is situated on a sprawling 7.08 acres plot with a spacious building and a hostel in a picturesque surrounding at the foot of Chamundi Hills of Mysuru. The College is a Multi-faculty, Co-educational, autonomous College, re-accredited by NAAC with 'A' Grade (CGPA: 3.21) and recognised as College with Potential for Excellence by UGC. Deen Dayal Upadhyaya Kaushal Kendra and Kaushalya Karnataka scheme have been sanctioned to the college by UGC and GoK, respectively. The College has been recognized as 'Research Centre' under University of Mysore to undertake doctoral and research studies in nine subjects. The college is hosting 'JSS Radio 91.2 FM', a Community Radio Station sanctioned by Ministry of Information & Broadcasting, Govt. of India. The College is known to provide need-based, skill integrated, cost-effective, quality and holistic education, transforming the students into globally competitive, employable and responsible citizens. The College offers a total of 61 programmes, viz., BSc (11 Programmes), BA (11 Programmes), B Com, BCA, BBA, B Voc (Food Processing & Engineering, Software Development, Animation and Multimedia, Advanced Telecom Technologies, and Tourism & Hospitality Management), MSc (Physics, Chemistry, Mathematics, Computer Science, Biotechnology, Biochemistry, Botany, Zoology), M Com, MA (English, Kannada), MSW, M Voc (Food Processing & Engineering, Software Development), MCA (AICTE approved programme ) and PhD (Kannada, English, Social Work, Commerce, Biotechnology, Biochemistry, Physics, Chemistry, Mathematics). A PG Diploma Programme in Protein Scale up and Expression has been sanctioned to the College by Government of Karnataka in 2011 under Biotechnology Finishing School (BTFS) is being offered and at present the same is getting operated under the synonym of Biotechnology Skill Enhancement Programme (BiSEP). Two Advanced Diploma programmes in Animation & Multimedia and Retail Management are also offered. Besides, COCs and PG Diploma Programmes are also offered.

## **ABOUT THE COLLEGE**

JSS College of Arts, Commerce and Science is a co-educational College established in 1964 under the aegis of JSS Mahavidyapeetha, Mysore. The College was started as an affiliated college of University of Mysore with undergraduate programmes in BA, BSc, BCom, BBM and was given permanent affiliation in 1993. The College is recognised by UGC under section 2(f) and 12(B) of the UGC Act 1956 and is receiving central assistance. The college has been functioning as an autonomous college from the academic year 2005-06. The distinctive features of autonomy are that the college is empowered to frame the syllabi, introduce new courses and conduct examinations independently. The degree is awarded by the University of Mysore.

The College is situated on a sprawling 7.08 acres plot with a spacious building and a hostel in a picturesque surrounding at the foot of Chamundi Hills of Mysuru. The College is a Multi-faculty, Co-educational, autonomous College, re-accredited by NAAC with 'A' Grade (CGPA: 3.21) and recognised as College with Potential for Excellence by UGC. Deen Dayal Upadhyaya Kaushal Kendra and Kaushalya Karnataka scheme have been sanctioned to the college by UGC and GoK, respectively. The College has been recognized as 'Research Centre' under University of Mysore to undertake doctoral and research studies in nine subjects. The college is hosting 'JSS Radio 91.2 FM', a Community Radio Station sanctioned by Ministry of Information & Broadcasting, Govt. of India. The College is known to provide need-based, skill integrated, cost-effective, quality and holistic education, transforming the students into globally competitive, employable and responsible citizens. The College offers a total of 61 programmes, viz., BSc (11 Programmes), BA (11 Programmes), B Com, BCA, BBA, B Voc (Food Processing & Engineering, Software Development, Animation and Multimedia, Advanced Telecom Technologies, and Tourism & Hospitality Management), MSc (Physics, Chemistry, Mathematics, Computer Science, Biotechnology, Biochemistry, Botany, Zoology), M Com, MA (English, Kannada), MSW, M Voc (Food Processing & Engineering, Software Development), MCA (AICTE approved programme ) and PhD (Kannada, English, Social Work, Commerce, Biotechnology, Biochemistry, Physics, Chemistry, Mathematics). A PG Diploma Programme in Protein Scale up and Expression has been sanctioned to the College by Government of Karnataka in 2011 under Biotechnology Finishing School (BTFS) is being offered and at present the same is getting operated under the synonym of Biotechnology Skill Enhancement Programme (BiSEP). Two Advanced Diploma programmes in Animation & Multimedia and Retail Management are also offered. Besides, COCs and PG Diploma Programmes are also offered

## Insurance Management

**Date-** 01/06/2018 - 31/03/2019

**Instructor-** Nagashree N

**Description-** The financial sector has become more and more challenging in recent times with the country working closer with the global community. Insurance professionals, like their counterparts in the financial sector, have to be on their toes to keep their knowledge levels about changing regulatory requirements updated. Those involved in governance and compliance functions need to know this as part of their job requirement. However, to perform efficiently and to ensure that the spirit of the regulations are not lost under the monotony and routine nature of mandatory compliances, they need to appreciate the philosophy behind the regulations, widen their awareness of international trends and develop perspectives to ensure proper application of their knowledge to local realities. The objective of this course is to provide the knowledge to the students about Risk and Insurance, Life Insurance Management, General Insurance Management, Management of Insurance Business, Insurance Marketing. Course covered matters relating to Risk Management, Governance and Compliance in the Insurance industry which included understanding the conceptual framework of insurance regulation, awareness of the international regulatory scenario, statutory provisions contained in various legislations applicable in the country, specific regulations drawn by the insurance regulator, market conduct and In-depth learning of the various compliances required in the sector. After the course, the students could demonstrate the knowledge of insurance contracts. It helped to develop the student's skill to facilitate insurance product cost and pricing, marketing & distribution. It also helps to examine the role of public policy including social insurance in personal financial planning and risk management. The students will have an opportunity to become an insurance agent or consultant.

AND SCIENCE**

**(COC ANNUAL REPORT)**

## **ABOUT THE COLLEGE**

JSS College of Arts, Commerce and Science is a co-educational College established in 1964 under the aegis of JSS Mahavidyapeetha, Mysore. The College was started as an affiliated college of University of Mysore with undergraduate programmes in BA, BSc, BCom, BBM and was given permanent affiliation in 1993. The College is recognised by UGC under section 2(f) and 12(B) of the UGC Act 1956 and is receiving central assistance. The college has been functioning as an autonomous college from the academic year 2005-06. The distinctive features of autonomy are that the college is empowered to frame the syllabi, introduce new courses and conduct examinations independently. The degree is awarded by the University of Mysore.

The College is situated on a sprawling 7.08 acres plot with a spacious building and a hostel in a picturesque surrounding at the foot of Chamundi Hills of Mysuru. The College is a Multi-faculty, Co-educational, autonomous College, re-accredited by NAAC with 'A' Grade (CGPA: 3.21) and recognised as College with Potential for Excellence by UGC. Deen Dayal Upadhyaya Kaushal Kendra and Kaushalya Karnataka scheme have been sanctioned to the college by UGC and GoK, respectively. The College has been recognized as 'Research Centre' under University of Mysore to undertake doctoral and research studies in nine subjects. The college is hosting 'JSS Radio 91.2 FM', a Community Radio Station sanctioned by Ministry of Information & Broadcasting, Govt. of India. The College is known to provide need-based, skill integrated, cost-effective, quality and holistic education, transforming the students into globally competitive, employable and responsible citizens. The College offers a total of 61 programmes, viz., BSc (11 Programmes), BA (11 Programmes), B Com, BCA, BBA, B Voc (Food Processing & Engineering, Software Development, Animation and Multimedia, Advanced Telecom Technologies, and Tourism & Hospitality Management), MSc (Physics, Chemistry, Mathematics, Computer Science, Biotechnology, Biochemistry, Botany, Zoology), M Com, MA (English, Kannada), MSW, M Voc (Food Processing & Engineering, Software Development), MCA (AICTE approved programme ) and PhD (Kannada, English, Social Work, Commerce, Biotechnology, Biochemistry, Physics, Chemistry, Mathematics). A PG Diploma Programme in Protein Scale up and Expression has been sanctioned to the College by Government of Karnataka in 2011 under Biotechnology Finishing School (BTFS) is being offered and at present the same is getting operated under the synonym of Biotechnology Skill Enhancement Programme (BiSEP). Two Advanced Diploma programmes in Animation & Multimedia and Retail Management are also offered. Besides, COCs and PG Diploma Programmes are also offered

Under the spiritual guidance of H.H Jagadguru Sri Shivarathri Deshikendra Mahaswamiji, the institution is desirous of scaling new heights in the days to come. The entire spectrum of management, staff and students are committed to put in their best to make this dream come true.

## Insurance Management

**Date-** 01/06/2019 – 23/03/2020

**Instructor-** Pushpa C S V/Nagashree N

**Description-** The financial sector has become more and more challenging in recent times with the country working closer with the global community. Insurance professionals, like their counterparts in the financial sector, have to be on their toes to keep their knowledge levels about changing regulatory requirements updated. Those involved in governance and compliance functions need to know this as part of their job requirement. However, to perform efficiently and to ensure that the spirit of the regulations are not lost under the monotony and routine nature of mandatory compliances, they need to appreciate the philosophy behind the regulations, widen their awareness of international trends and develop perspectives to ensure proper application of their knowledge to local realities. The objective of this course is to provide the knowledge to the students about Risk and Insurance, Life Insurance Management, General Insurance Management, Management of Insurance Business, Insurance Marketing. Course covered matters relating to Risk Management, Governance and Compliance in the Insurance industry which included understanding the conceptual framework of insurance regulation, awareness of the international regulatory scenario, statutory provisions contained in various legislations applicable in the country, specific regulations drawn by the insurance regulator, market conduct and In-depth learning of the various compliances required in the sector. After the course, the students could demonstrate the knowledge of insurance contracts. It helped to develop the student's skill to facilitate insurance product cost and pricing, marketing & distribution. It also helps to examine the role of public policy including social insurance in personal financial planning and risk management. The students will have an opportunity to become an insurance agent or consultant.

### Module-

**Description-** Tourism as one sector that shall propel growth, contributes foreign exchange, enhance employability and result in community development. The most important dimension of tourism is the cultural exchange among various nationalities that visits the country and cross cultural interface that shall pave way for universal peace and harmony. Moreover, tourism is seen as an economy option. The scope of travel and tourism is truly immense, in the last six years it has created 11 million jobs and has the potential to create 37 million jobs, as estimated by the NSSO, Ministry of Tourism. The objectives of this course is to make the students aware of the principles of Tourism from the point of view of Travel and Tourism; to expose the students to the scope and potential available for Tourism Industry; to impart specific skills such as Travel and Hotel management, guide, craft and marketing strategies; to provide knowledge on vocational education, travel documents, passports, visa's and others; to empower students with skills to face tourism industry and to offer internship training and conservation of cultural Heritage and protection of monuments.

There are many career options to venture into to be a part of the tourism sector; public and private. The following are some of the profiles: tourism department, airlines, hotels, tour operators, travel guides, etc.

**Description-** Tourism as one sector that shall propel growth, contributes foreign exchange, enhance employability and result in community development. The most important dimension of tourism is the cultural exchange among various nationalities that visits the country and cross cultural interface that shall pave way for universal peace and harmony. Moreover, tourism is seen as an economy option. The scope of travel and tourism is truly immense, in the last six years it has created 11 million jobs and has the potential to create 37 million jobs, as estimated by the NSSO, Ministry of Tourism. The objectives of this course is to make the students aware of the principles of Tourism from the point of view of Travel and Tourism; to expose the students to the scope and potential available for Tourism Industry; to impart specific skills such as Travel and Hotel management, guide, craft and marketing strategies; to provide knowledge on vocational education, travel documents, passports, visa's and others; to empower students with skills to face tourism industry and to offer internship training and conservation of cultural Heritage and protection of monuments.

There are many career options to venture into to be a part of the tourism sector; public and private. The following are some of the profiles: tourism department, airlines, hotels, tour operators, travel guides, etc.

## **ABOUT THE COLLEGE**

JSS College of Arts, Commerce and Science is a co-educational College established in 1964 under the aegis of JSS Mahavidyapeetha, Mysore. The College was started as an affiliated college of University of Mysore with undergraduate programmes in BA, BSc, BCom, BBM and was given permanent affiliation in 1993. The College is recognised by UGC under section 2(f) and 12(B) of the UGC Act 1956 and is receiving central assistance. The college has been functioning as an autonomous college from the academic year 2005-06. The distinctive features of autonomy are that the college is empowered to frame the syllabi, introduce new courses and conduct examinations independently. The degree is awarded by the University of Mysore.

The College is situated on a sprawling 7.08 acres plot with a spacious building and a hostel in a picturesque surrounding at the foot of Chamundi Hills of Mysuru. The College is a Multi-faculty, Co-educational, autonomous College, re-accredited by NAAC with 'A' Grade (CGPA: 3.21) and recognised as College with Potential for Excellence by UGC. Deen Dayal Upadhyaya Kaushal Kendra and Kaushalya Karnataka scheme have been sanctioned to the college by UGC and GoK, respectively. The College has been recognized as 'Research Centre' under University of Mysore to undertake doctoral and research studies in nine subjects. The college is hosting 'JSS Radio 91.2 FM', a Community Radio Station sanctioned by Ministry of Information & Broadcasting, Govt. of India. The College is known to provide need-based, skill integrated, cost-effective, quality and holistic education, transforming the students into globally competitive, employable and responsible citizens. The College offers a total of 61 programmes, viz., BSc (11 Programmes), BA (11 Programmes), B Com, BCA, BBA, B Voc (Food Processing & Engineering, Software Development, Animation and Multimedia, Advanced Telecom Technologies, and Tourism & Hospitality Management), MSc (Physics, Chemistry, Mathematics, Computer Science, Biotechnology, Biochemistry, Botany, Zoology), M Com, MA (English, Kannada), MSW, M Voc (Food Processing & Engineering, Software Development), MCA (AICTE approved programme ) and PhD (Kannada, English, Social Work, Commerce, Biotechnology, Biochemistry, Physics, Chemistry, Mathematics). A PG Diploma Programme in Protein Scale up and Expression has been sanctioned to the College by Government of Karnataka in 2011 under Biotechnology Finishing School (BTFS) is being offered and at present the same is getting operated under the synonym of Biotechnology Skill Enhancement Programme (BiSEP). Two Advanced Diploma programmes in Animation & Multimedia and Retail Management are also offered. Besides, COCs and PG Diploma Programmes are also offered.

Under the spiritual guidance of H.H Jagadguru Sri Shivarathri Deshikendra Mahaswamiji, the institution is desirous of scaling new heights in the days to come. The entire spectrum of management, staff and students are committed to put in their best to make this dream come true.

The College is recognised by UGC under section 2(f) and 12(B) of the UGC Act 1956 and is receiving central assistance. The college has been functioning as an autonomous college from the academic year 2005-06. The distinctive features of autonomy are that the college is empowered to frame the syllabi, introduce new courses and conduct examinations independently. The degree is awarded by the University of Mysore.

The College is situated on a sprawling 7.08 acres plot with a spacious building and a hostel in a picturesque surrounding at the foot of Chamundi Hills of Mysuru. The College is a Multi-faculty, Co-educational, autonomous College, re-accredited by NAAC with 'A' Grade (CGPA: 3.21) and recognised as College with Potential for Excellence by UGC. Deen Dayal Upadhyaya Kaushal Kendra and Kaushalya Karnataka scheme have been sanctioned to the college by UGC and GoK, respectively. The College has been recognized as 'Research Centre' under University of Mysore to undertake doctoral and research studies in nine subjects. The college is hosting 'JSS Radio 91.2 FM', a Community Radio Station sanctioned by Ministry of Information & Broadcasting, Govt. of India. The College is known to provide need-based, skill integrated, cost-effective, quality and holistic education, transforming the students into globally competitive, employable and responsible citizens. The College offers a total of 61 programmes, viz., BSc (11 Programmes), BA (11 Programmes), B Com, BCA, BBA, B Voc (Food Processing & Engineering, Software Development, Animation and Multimedia, Advanced Telecom Technologies, and Tourism & Hospitality Management), MSc (Physics, Chemistry, Mathematics, Computer Science, Biotechnology, Biochemistry, Botany, Zoology), M Com, MA (English, Kannada), MSW, M Voc (Food Processing & Engineering, Software Development), MCA (AICTE approved programme ) and PhD (Kannada, English, Social Work, Commerce, Biotechnology, Biochemistry, Physics, Chemistry, Mathematics). A PG Diploma Programme in Protein Scale up and Expression has been sanctioned to the College by Government of Karnataka in 2011 under Biotechnology Finishing School (BTFS) is being offered and at present the same is getting operated under the synonym of Biotechnology Skill Enhancement Programme (BiSEP). Two Advanced Diploma programmes in Animation & Multimedia and Retail Management are also offered. Besides, COCs and PG Diploma Programmes are also offered.

Under the spiritual guidance of H.H Jagadguru Sri Shivarathri Deshikendra Mahaswamiji, the institution is desirous of scaling new heights in the days to come. The entire spectrum of management, staff and students are committed to put in their best to make this dream come true.

## Yoga

**Date-** 01/06/2018 – 31/03/2019

**Instructor-** Shilpa M S

**Description-** The modern day lifestyle is as such where humans struggle with physical and physiological stress in their lives. This is where yoga comes as a rescue to alleviate the physical and mental stress. Based on the holistic principles of harmony and unification within body and nature. Yoga's simple postures leave a powerful impact against busy lifestyle demands. The main objectives of COC in Yoga is to enable the student to have good health; to practice mental hygiene; to possess emotional stability; to integrate moral values and to attain higher level of consciousness. After studying this course, students will have career opportunities in health clubs, yoga & Pilates studios, special needs centre, private gym and in individual clients homes. Several job options available both in the government & private sectors. Self-employed by opening own yoga center. Yoga also opens various jobs in the given field such as research, management, hospital, academic, administrative, consultation, etc.

### **Module-**
