Dear all Heads of Departments (HoDs) and Faculty Members in the Undergraduate (UG) and Postgraduate (PG) departments,

This communication serves to inform you that teachers within each respective department have been designated as mentors for students. We kindly request all teachers to fulfill their responsibility by actively engaging in mentoring students throughout the ongoing academic year of 2022-23. Your guidance and support are instrumental in fostering effective mentorship for the students enrolled in our college. Please be informed that the assigned mentees from the second and third years of the Undergraduate (UG) programs and the second year of the Postgraduate (PG) program will continue their association with their respective mentors. Freshers joining each program have been allocated mentors accordingly.

Thank you for your cooperation and commitment to nurturing our students' academic and personal growth.
