DHEEKSHARAMBH 2026-27

JSS College of Arts, Commerce and Science (Autonomous), Ooty Road, Mysuru, organised "Deeksharambh", a two-day induction programme for newly admitted postgraduate students, under the aegis of IQAC on 08 and 09 October 2026.

Inaugurating the programme, Dr. S. R. Niranjana, Vice-Chairman, Karnataka State Higher Education Council, described education as a third eye whose power and potential are immense. He appreciated JSS Mahavidyapeetha's longstanding contribution to quality education through its institutions in India and abroad. He encouraged students to expand their knowledge beyond classroom teaching through multidisciplinary learning and interdisciplinary self-study. He emphasised that critical thinking, general knowledge, digital literacy, communication, mental well-being, discipline, time management and financial independence were essential for success. He urged students to develop effective speaking skills, communicate their knowledge confidently and contribute meaningfully to society.

Presiding over the programme, Prof. B. V. Sambashivaiah, Chief Executive and Principal, explained that Deeksharambh introduced students to the College's academic and cultural environment, institutional goals, postgraduate curriculum, credit structure, examination and assessment systems, attendance requirements and academic regulations.

He highlighted the importance of research methodology, academic writing, library and digital resources, and e-learning opportunities. He explained that interaction with teachers, mentors, senior students and other members of the institution would help newcomers overcome initial apprehensions and develop confidence and a sense of belonging.

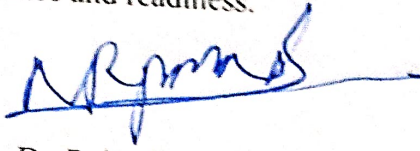

Prof. Sambashivaiah also stressed students' health, safety and well-being, including awareness of anti-ragging measures, prevention of sexual harassment, gender sensitivity, grievance redressal, counselling and campus safety. He motivated students to approach postgraduate education with confidence, discipline and purpose, and to make full use of the learning opportunities and support available in the College.

The inaugural programme included an invocation by Ms. Sahana and Ms. Poorvika. Dr. N. Rajendraprasad welcomed the gathering, Mr. K. C. Sunil Kumar proposed the vote of thanks, and Dr. H. V. Kavya moderated the function.
