ALUMNI FEEDBACK

Manu N, Mallarajaiahana Hundi - MYSURU

I like the Study environment in the class and college. Here Library is having latest edition books, InflibNet facility which allowed me to download pdf books, articles and related online journals which helped me in studies and research activities. This helped in improving my knowledge and confidence. Currently I am working as **Asst. Manager – HR at Automotive Axles Pvt.Ltd., Mysuru**

KEERTHIK R - BENGALURU

I very much liked the Teaching method of our department. Here they use both traditional and modern methods of teaching like Projector, Interactive sessions, Special Guest Lectures, Role plays, Chalk and talk, Group Discussion, Brain Storming and much more.

Right now I am working in **Clints HR Solutions, Bengaluru as HR Recruiter**

ANIL KUMAR L.S - Lokasara - MANDYA

PG Department of Social Work provides hands on experience in both NGOs and Industrial setting which helped to improve myself as an individual with employable skills and professional attitude thereby improving my Personality as a good citizen. I started my career as Unit Head in HR Department at GL Auto Pvt.Ltd. Bengaluru. Currently I am working as **Sr. Executive - HR in Mitsubishi Power India Pvt. Ltd., Lalbagh Road, Bengaluru**

SHILPA S - MYSURU

By Studying MSW at JSS College, Mysuru I was able to learn, acquire, enhance and develop Leadership qualities which has assisted me in achieving my goals and accomplishments there by making my parents proud and contribute to the society. Campus Interview at Department of Social Work has helped me to get my first job as HR Executive at Shahi Exports Pvt. Ltd., Mysuru. **Currently I am working as HR Executive – AB in Bev Pvt. Ltd., Bannur-Malleur Road, Mysuru**

THONTARADHYA - GUBBI

I opted JSS College to study MSW. It has provided me with Discipline, Knowledge, Motivation and Confidence. With the help of these qualities I was able to get selected as **Human Organ Transplant Co-ordinator, Adhichunchanagiri Hospital & Research Centre, BG Nagara, Mandya District**, I Thank my Social Work Department, Teachers whose continuous support and dedication has helped to achieve my goals.

PG PROGRAMMES OFFERED BY THE COLLEGE

M.Sc in Physics, Chemistry, Mathematics, Computer Science, Biochemistry, Botany, Zoology
M.Com, Master of Social Work, M.A. in Kannada, English,
M.Voc. in Software Development, Food Processing and Engineering, MCA

RAMYA S

Research Scholar (Ph.D), Indian Institute of Science, Bangalore

It is a great pleasure for me to be a part of PG Department of Biotechnology. I am thankful to the faculties, who have always motivated me towards higher goals. The best in class labs, library facilities and a sound knowledge about the global platform helped me to score 34th Rank in CSIR-UGC JRF examination. Today I am proud to say "I am a student of Biotechnology from JSS College. **"IF I CAN, EVERYBODY CAN...."**

SHIVARUDRASWAMY

Asst. Research Scientist, Prosetta Bioconformatics Pvt. Ltd., Mysore

It was a great learning experience at PG Dept. of Biotechnology with the heterogeneous environment. The department has provided us with the essential practical and analytical skills that are required in the biotech industries and R&D labs to excel as a researcher as well as leader in the relevant field. I found a position as a Scientist at Prosetta Bioconformatics Pvt. Ltd. Mysore through my campus placement. I was able to achieve with utmost co-operation & motivation from our teachers.

MADALAMBIKA

Research Scholar, NIMHANS, Bangalore

Postgraduate Department of Biotechnology, ensure opportunities for students by assigning tasks that are neither too easy nor too difficult. It helps students to find personal meaning and value in the material world and creates an atmosphere that is open and positive. It also helps students to feel that they are valued members of a learning community.

SANDEEP S

Sr. Executive, BIOCON Research Pvt. Ltd., Bangalore

PG Department of Biotechnology gave colors to my dreams. The faculty of the department gave support with care and helped us throughout in our studies and project work. They made us feel to be at ease and taught us to realize our strengths and weaknesses. This helped us to excel in the place of our interviews to set a definite goal in our mind. The Biotech Department has played a great role in the success of my career.

SACHIN YADAV

Asst. Manager, Biocon Pvt. Ltd., Bangalore

I did not have any specific ambition when I joined PG Biotech. I thank the institute and the faculty who always motivated and helped me to overcome my weakness. All my batch mates are doing well in their respective jobs which reflect the quality of the students the institute has produced. I thank all the faculties. I am happy with my job.

ALUMNI FEEDBACK

The college is situated in a pleasant area where students can concentrate with total mind set. Each department is divided equally with its own sufficient classrooms and laboratory. The faculties are well qualified and supportive in studies as well as all-round development of the student. College provide academic and research based seminars, assistance and opportunity for improving research based development in students.

Mrs. Laya Rose Mathew, Pursuing B.Ed., Kerala

The college has conductive environment a place where I gained knowledge, best needed for the survival in outer world. What I am today is because of the curriculum and the teaching methodology adapted by professors. It's an amazing institution which teaches you self-discipline, confidence and problem solving essential traits to start your journey. Finally I thank the institute and faculty for all the efforts put in by them along with the preservance and right moves have paid off finally.

**Amrutha G V, Junior lecturer in Biology,
Justice Shivraj Patil Independent PU Science College, Raichur**

My overall experience has been amazing, and the department has an amazing infrastructure and lab facilities, teachers are knowledgeable, friendly and helped us to find right students.

**Mr. Meeniga Ashok Kumar Reddy
Asst. Lecturer, Vijayanagara Sri Krishna Devaraya University, Bellary**

The college has been more than just an institution; it has been a second home and a guiding light. I want to express my heartfelt thanks to our PG Botany Department faculty members for their tireless efforts, patience and dedication. Their guidance, mentorship and encouragement have shaped me into capable and confident individual. Our college has provided me with opportunities for extracurricular growth and a platform to explore our passions. I have been fortunate and proud to be part of this JSS community.

**Ms. Niveditha R.
Asst. Teacher, Sharath Memorial School, Ramanagara**

I had a wonderful experience here, the teaching and non-teaching staff of this college were very cooperative and quick at problem solving. JSS is a place of learning, love, fun, culture, literature and many such life preaching activities. Studying at this department brought and added value to my life. This college provides education in the true sense of the world. The best infrastructure and quality of education given here at JSS assures that 'it's not just a name it's a brand'

Ms. Sujatha Pal, Assistant Professor, Veerashaiva Degree College, Bellary

ALUMNI FEEDBACK : 2023-24 BATCH

Nischitha P

Faculty of Chemistry, BASE PU College, Bengaluru Package : 4.05 LPA

Myself Nischitha, I would like to share my best and memorable experience about JSS College. I completed my MSc in Chemistry in JSS College. It is the place where I got hold on my subject effectively; it was only because of well experienced and knowledgeable faculties. This is the place where I got opportunity to exhibit my leadership quality. I am really thankful and grateful to my Chemistry department and JSS College.

Kavya H R

Technical Trainee, Medicinal chemistry

Aurigene Pharmaceutical Ltd Bengaluru Package : 3 LPA

JSS College is one of the best institutes for learning. PG Department of Chemistry supported me to reach my goal. I am very lucky to be a part of this College, which encompasses knowledgeable people where one can get abundant information to build personal and professional life in successful way. I am thankful to this reputed institute for giving each and everything.

Tejas N

Process Chemist, Spectrotronic Plating Ltd., Bengaluru

Package: 4.2 LPA

Hello everyone, first of all I would like to share about my college experience, I have done both BSc and MSc in Chemistry from JSS College. When I was in BSc, I did fail in chemistry 2 times but today I am in a position where I see myself as a responsible chemist in the Aerospace department. The College literally taught me to handle and embrace the pressure, difficulties and toughness. I would like to thank the entire faculty of our department and JSS College.

KSET QUALIFIERS 2024

RESEARCH INFRASTRUCTURE

ALUMNI FEEDBACK

Ms. Rakshitha, Process executive, Infosys Mysore

The frame work of my dream of success was well mentored by genius teachers, the competitive environment prevailing in the campus energized us to do more and winners.

Ms. Kavana Vinayak Hegde, Tax expert, 23, 24 AMR Tech Park, Block 1, First Floor AMR Tech Park Internal Rd, Hongasandra, Bengaluru, Karnataka 560068

"Education is our passport to the future" and "A Best Teacher can make desert bloom" The college gave immense knowledge about many aspects in life. The college with good facilities has helped me grow profusely. The faculties are the inspiration, guide and mentors. I salute their efforts and dedication towards subject and students

Ms. Thushara, Assistant, Reserve Bank of India

The college has conducive environment that propels growth of every student. The teaching learning facilities are exemplary. Inspiring teachers behold the attention of students and mould their characters effectively

Ms. Arpitha Gowda, Lecturer, Parivarthana PU College

Good infrastructure, best teachers who have experience and conducting frequent seminars helped us to get confidence and let go stage fear. The curriculum taught in the college covers latest topics which help in clearing competitive examinations.

Mr. Vijay Kumar, Branch Sales and Service Executive (BSSE) Karur Vysya Bank, Arsikere, Hassan

The College is situated in the good place with good atmosphere for learning, campus is beautiful and attractive. Library facility enriched my zeal towards building knowledge. The department has skilled qualified faculties. I draw my inspiration from the former Principal Dr H C Honnappa.

ALUMNI FEEDBACK

RAJESH RAVINDRA HEGDA (Ph.D. Scholar in Sardar Vallabhai University)

My postgraduate studies at JSS College were transformative, deepening my understanding of literature, criticism, and theory. The vibrant academic environment, faculty mentorship, and interactive discussions honed my analytical skills. The well-equipped library, literary events, and extracurricular activities enriched my experience, fostering intellectual curiosity and independent thought. My hobbies include writing poetry, short stories, and studying ancient Indian wisdom from texts like the Bhagavad Gita, Ramayana, Vedas, and Upanishads. I secured the first rank in M.A. English at JSS College, Mysore, and was awarded the C.D. Narasimaiah Prize and Shri Shivaratri Deshikendra Swamiji Endowment Prize for academic excellence. After qualifying for the UGC-NET exam, I worked as an Assistant Professor at St. Francis De Sales College, University of Bangalore. I also received national scholarships from the Ministry of Human Resource Development, the Savitri Jindal Foundation, and others. Currently, I am a research scholar in the Department of English at Sardar Patel University, working on memory studies and Ramayana retellings under Prof. Parul S. Popat. My poem *Rallies Down the Mind* was published in *Embracing the Feminine*, and I have authored research articles on Wordsworth's consciousness and a postcolonial reading of Kanthapura.

MAALYA (Ph.D. Scholar in Rani Anna Govi College for Women, Tirunelveli, T N)

I am incredibly grateful for the knowledge and experience I gained from JSS College, which has been invaluable in my career. I used to be afraid of my communication skills. But the faculty members were highly supportive, encouraging both academic excellence and personal growth. Their guidance played a crucial role in shaping my perspectives and enhancing my analytical abilities. Currently, I am pursuing my PhD in Indian Literature and I owe a significant part of my academic journey to the strong foundation laid during my time at JSS College. The academic environment was so peaceful. I am so thankful for the guidance and support I received. Those two years of my life at JSS College will remain unforgettable always and forever.

KAVYA PRIYA

First of all, I feel proud to give a write up on my college-JSS CACS. If you ask me about my college I will personify it as my mother and would love to say I am the daughter of JSS CACS. Sounds funny to you right? But I truly mean it. That's the way CE Sir and my professors especially from the English department cared for me. That's the way they motivated me every time I felt low. And not just to me, in general, the individual attention and care they provide to every student is commendable. It's a mini society where one can experience all the flavours of life. Coming to education and learning experience, I still remember every text or novel my professors imparted was beyond the classroom connecting to real world experiences which is now helping me to confront life's challenges adroitly. Their professionalism, dedication in their teaching, and their commitment in nurturing well rounded individuals is highly appreciable. I wholeheartedly thank my college and the department for being a part of my success and Credits to JSS CACS for shaping me into an excellent being.

RASHIMI

An American Philosopher Allan Bloom once said "Education is the movement from darkness to light", yes! This quote very truly matches to my Alma Mater JSSCACS, Ooty road, Mysore. My heartfelt gratitude to my wonderful teachers who gave me an opportunity to continue my higher education in Master Degree which gave turning point to my life. Addition to teaching my teachers gave me hope, inspiration, guidance to overcome my vulnerability and reach my goal. They taught me with extreme motivation that helped me to be ambitious in academia. The College ambience is also so calm and authorities are very supportive. An institution with best expertise is a platform for passionate students. For me English literature is not just a subject, it's an emotion and that feeling was carved by my teachers. Finally I thank JSS for being the temple of knowledge and my teachers for bringing best out of me.

OTHER PG PROGRAMMES OFFERED BY THE COLLEGE

M.Sc., Physics, Chemistry, Mathematics, Computer Science, Biochemistry, Biotechnology, Botany,
M.Com, Master of Social Work, M.A in Kannada, English, M.Voc in Software Development,
Food processing and Engineering, MCA

ABOUT THE DEPARTMENT

Department was established in the academic year 2017-18. PG Department of Zoology has been recognized as a research centre by University of Mysore enabling aspirants of Ph.D in Zoology to take up research and extension activities. At present, student strength in the department is 60 including final and first M.Sc. Department is situated in a separate wing in the lush green college campus. Presently there are 2 classrooms, 2 student laboratories, a staff room, a separate museum for keeping museum specimens required for academic activities.

The department has good infrastructure. All the classrooms and laboratories are well equipped with necessary furniture to carry out regular teaching activities. Classrooms and student laboratories are provided with white board and overhead projectors to enable ICT method of teaching. With vision of giving up to date knowledge in the subject and enable online teaching, each room in the department is provided with internet connectivity through Wi-Fi and LAN.

The Department has spacious laboratories with well-equipped sophisticated instruments like Illuminated compound Microscopes, stereomicroscopes, laboratory centrifuges, incubators, distilled water unit, Bacteriological incubators, pH meters, Digital Microtome for histology, Hot air oven, Waterbath, Deep freezer, UV-visible spectrophotometer etc.

ALUMNI FEEDBACK

BLESSWINJOY

Faculty, St. Joseph's Central School, Yelwal (MDES)

We were the first batch of M.Sc Zoology at prestigious JSS College of Arts, Commerce and Science. I was a bit hesitant and reluctant to join, contemplating how would be the staff, campus and department. But to my surprise that's the best thing that happened to me. The staff made us so comfortable and made to feel at home. We got well qualified professors, who were friendly and good at their job, very helpful and knowledgeable too. Got a wonderful platform to make lovely friendships. We have also seen how the staffs and the department have evolved to give the best place of learning to all its learners.

Dr. SHASHANK.K.R. (Topper 2021 batch) Guest faculty Department of Zoology, Yuvaraja's College, University of Mysore

It is a great delight to be a part of post graduate department of ZOOLOGY. I have never ending gratitude and love towards my department and my teachers. It provides excellent facilities and opportunities for the growth of student's career which helped me more. And all the faculty members in the department was always enthusiastic and guided me a lot to overcome my fragility. With the support of my department today, I completed my PhD. It was able to achieve with the ultimate support, motivation and encouragement from my teachers, Department played a vital role in my success. I am grateful to be a part of PG department of ZOOLOGY...! Proud to have studied at JSS!

DAYANA. J (Second topper 2021 batch), Assistant Professor, Department of Zoology, JSS College for Women, Chamarajanagar

I am thankful to all the faculty members of the college for their continuous efforts and support. Apart from excellent academic experience, I also gained the benefits of spiritual growth, I cherish every moment spent in the college. It was my awesome journey of my student life and am glad to provide you my feedback about PG Department of Zoology their teaching, guidance and my overall experience to date has been amazing and the college is having an amazing infrastructure. College has provided me with a number of opportunities to grow and explore my skills.

ALUMNI FEEDBACK

Harshitha T R

(Quality Controller and Internal Auditor at Marvin Foods Bangalore)

It was an honor to be a part of the M.Voc Department of Food Processing and Engineering at JSS College. The department supplied not only theoretical knowledge but also significant practical skills required in the food processing industry. The semester-long internship program, activities

and seminars taught by CFTRI scientists were particularly noteworthy, providing real-world exposure and perspectives. I am extremely grateful to the dedicated faculty members who constantly motivated and led me. Thanks to the department's intensive training and support, I was able to acquire a position at Marvin Foods Pvt Ltd, demonstrating the department's commitment to developing successful careers.

PREETHAM G

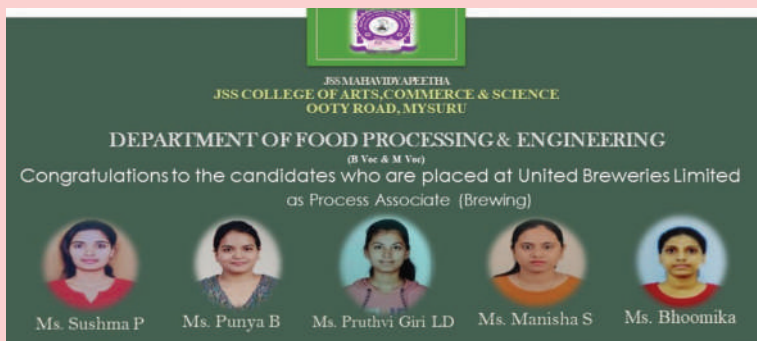

(Jr Assistant Research and Development Griffith Foods Bangalore)

The M.Voc. Program in Food Processing and Engineering provided me with extensive practical experience and industry exposure. The curriculum's focus on real-world applications, coupled with industrial visits and a supportive faculty, equipped me with the skills needed to excel in the food

industry. Securing a position at Griffith Foods in Bangalore, a company known for its commitment to innovation and community, has been a rewarding outcome of this program.
