BACKGROUND

This Memorandum of Understanding (MoU) is entered into on 08-8-2022, by and between JSSCACS and STATSPARKS.

Purpose of MoU

This Memorandum of Understanding (MoU) outlines the collaboration between JSSCACS and STATSPARKS for the following purposes:

- 1. Research Support:** JSSCACS aims to enhance its research capabilities, and STATSPARKS, being a Research Support Organization, will provide expertise and assistance in project planning and execution.
- 2. Data and Statistical Analysis:** STATSPARKS specializes in data and statistical analysis. The collaboration seeks to leverage STATSPARKS' proficiency to enhance the quality and depth of data analysis in research projects undertaken by JSSCACS.
- 3. Training for Students:** JSSCACS envisions providing its students with practical exposure to research methodologies and statistical tools. STATSPARKS will facilitate training sessions and workshops for students, enriching their research skills.
- 4. Training for Faculty:** To strengthen the faculty's research capabilities, STATSPARKS will conduct training programs, keeping them abreast of the latest developments in project planning, data analysis, and statistical methodologies.
- 5. Knowledge Exchange:** The MoU promotes a reciprocal exchange of knowledge between JSSCACS and STATSPARKS, fostering an environment of collaborative learning and shared expertise.
- 6. Resource Sharing:** The parties may explore opportunities for resource sharing, including access to research tools, datasets, and other relevant resources that contribute to the success of collaborative research projects.
