Programme: Bachelor of Arts

Economics and Geography
History and political science
Kannada and Geography
History and English
Journalism and English

Programme outcome:

After the completion of the graduation student are able to:

- PO1-Understand culture and heritage
- PO2- Manage business affairs
- PO3-Create interest in literature
- PO4 -Report and edit public events effectively
- PO5-Develop reading writing communication and reasoning skills

Programme specific outcome:

After the completion of the Graduation Student are able to:

- PSO1-The student develops conviction in scriptures.
- PSO-2-The student will be confident in learning new texts of Sanskrit.
- PSO3-The student imbibes the noble qualities.

Programme: Bachelor of Science (Natural science & Physical science)

Physics and Chemistry
Physics and Mathematics
Physics and Electronics
Computer Science and Mathematics
Physics and Computer Science
Bio-Technology and Zoology
Chemistry and Bio-Technology
Chemistry and Zoology
Botany and Zoology
Bio-Technology and Bio-Chemistry
Micro-Biology and Bio-Technology
Micro-Biology and Bio-Chemistry

Programme outcome:

After the completion of the graduation student are able to:

- PO1-Inculcate human values
- PO2-It assists in comprehension skills
- PO3- Create interest in literature

Programme specific outcome:

After the completion of the Graduation Student are able to:

- PSO1- The student learns Sanskrit speaking skills.
- PSO2-Develop research aptitude
