Hard work, continuous exercise, and diligent preparation are essential to become a Chartered Accountant

Raghunandan Rao

Chartered Accountant

If you study with hard work and concentration, you can achieve anything. During the course of education, students should realize their passions and engage in learning by working hard accordingly. There is no age limit to become a chartered accountant. Chartered Accountants can work in any corporate companies without age limit. Chartered Accountants receive the highest accreditations abroad. The salary of the Chartered Accountant is very excellent. Therefore, if the students know their position in their first year of graduation and practice hard work, steadfastness, and diligent preparation, it is very easy to face the Chartered Accountant examinations, said Mr. Raghunandan Rao, President of the Indian Chartered Accountant Association, Mysore Branch on 17-10-2023 at JSS College of Arts, Commerce and Science, Mysore. Speaking at a Panel Discussion program organized by the IQAC and Department of Commerce and Management of the college in association with CII-Industry Institute Interaction and Higher Education Panel, Mysuru Zone, on the topic of Career Paths for Commerce and Management Graduates as one of the G20 People's Participation Activities.

Another expert, CS Pahni Datta D N, President of the Institute of Association Company Secretaries of India, Mysore Branch, explained about the Company Secretary Professional responsibilities and duties. A company secretarial job which is very responsible should be performed diligently and all necessary training should be obtained without fail. CS Pahni Datta DN spoke about the exams and the opportunities to work as secretaries in the company.

The Chief Financial Officer of N Ranga Rao & Sons Ltd of Mysuru, Chartered Accountant R Devanathan spoke and gave a thorough explanation to the students about the strategies and professional courses required to shape their future during their studies so that to become Chartered Accountants.

Chief Executive Officer and Chief Scientist of Prosetta Bioconformatics Ltd Dr. Dharma Prasad M addressed regarding entrepreneurship and employment. He advised students to take decisions in advance during graduation. He advised them to improve their skills and make their way in life as per their aspirations and dreams.

The Chief Executive of the college, Professor B. V. Sambashivaiah presented the concept note. He called upon the students to give more time to learn basic subject knowledge and professional courses.

Director of College Education Division of JSS Mahavidyapeetha, Prof. R. Mugeshappa, presided over the program, and in his remarks, he said that the students to get their own experience when they go for professional courses. He reminded the students to take advantage of the different learning options available after graduation.

Many students have got answers and advice from resource persons on their various queries.

Principal of the college Dr. S. Pratibha welcomed. Head of Department of Commerce and Management Dr. Sreelalitha K G and Mrs. Nagashree compered. Ms. Radhika Hardikar prayed. More than 450 students and faculty of the department participated in the program.
