“Researchers must be more creative to do quality research that brings a societal change”

– Col. Prof. Y.S. Sidde Gowda

JSS College of Arts, Commerce and Science, Ooty road, Mysuru-25 in association with Karnataka State Higher Education Council (KSHEC) organized One Day National Level Seminar on Research Methodology on 24 June 2023. The Higher Education Institutions of India have been directed by UGC to organize activities under Jan Bhagidari G20 Presidency of India. One of the themes of G20 comprises Education and Research. In this respect, the College took the initiative to organize the event. The programme was inaugurated by Col. Prof. Y.S. Sidde Gowda, Vice Chairman of KSHEC and Former Vice Chancellor, Tumkur University. In his inaugural speech, Prof. Sidde Gowda said that proper exposure is required in the knowledge century to tackle the challenges of tomorrow. Knowledge creation, knowledge accumulation and knowledge assimilation is possible only when innovative and creative mind is applied. Every researcher must strive hard to bring quality change and this comes only with commitment, said Prof. Sidde Gowda. More emphasis has to be given to those areas of research which are advantageous to the society at large. He called upon the young researchers to develop curiosity and involve in innovative works. Prof. Sidde Gowda recalled his association with JSS institutions for more than 35 years.

Prof. B.V. Sambashivaiah, Chief Executive of the College presented the concept note wherein he highlighted the milestones of the College and the idea behind organizing this event. He also highlighted about the G20 and the India's presidency and the various themes involved in it. Prof. Sambashivaiah said that a good research methodology is a key to sound research output. To operationalize the vision, there is need to train, reorient and reactivate the research scholars on research methodology.

Presiding over the function, Prof. D. Anand, Director, College Development Council, University of Mysore brought to the notice of the audience about the research's stand in today's academia. He expressed that the topics chosen for the seminar are very appropriate to bring quality in academic research. He said that “the research is nothing but searching for truth and facts and the knowledge is like riding a bicycle that needs continuous pedalling”. The Seminar will feature different Technical Talks by resource persons from various organizations.

Prof. M.P. Vijayendra Kumar, Principal welcomed the guests and others. Ms. Sannidhi and team rendered invocation. Dr N. Rajendraprasad, IQAC Coordinator and Organizing Secretary compeered and proposed vote of thanks.
